Cossette Consistently Brings the Old Testament to Life in an Engrossing, Fresh New Way

- “In this last installment of her OUT FROM EGYPT trilogy, Cossette weaves a simple love story into a lesson on the virtues of faith, fortitude, and forgiveness. . . . Cossette’s novel is a fitting end to a fascinating series about the power of faith.”—*Publishers Weekly*
- Shows the perspective of a Canaanite woman as Jericho’s walls fall
- “Biblical fiction buffs . . . are sure to be swept away by this promising new author.”—*Library Journal on Counted With the Stars*

Motherless and raised alongside her brothers, Alanah, a Canaanite, is no stranger to fighting. When her father and brothers are killed in battle with the Hebrews, she disguises herself and sneaks onto the battlefield to avenge her family. The one thing she never counted on was surviving.

Tobiah, a Hebrew warrior, has spent his share of time on the battlefield and is shocked to find an unconscious woman among the casualties. Compelled to bring her to a healer back at the Hebrew camp, he’s unprepared for the consequences of what he intended as an act of compassion.

In order to survive, Alanah must unite with her enemy. But will a terrible revelation drive her toward an even greater danger?

“Cossette does a remarkable job of giving readers a behind-the-scenes look into famous Bible stories, telling the tales from the perspective of an everyday person living through them. *Wings of the Wind*, along with the other books in the OUT FROM EGYPT series, are must-reads for fans of Biblical and historical fiction.”
