*Women Who Move Mountains  
Praying With Confidence, Boldness, and Grace*  
by Sue Detweiler

Amid our packed schedules and life's curveballs, our hearts long for more. We want to live and love well; we want to be a source of joy and life. The good news is that we can—and the secret is found in the simple act of prayer.

Prayer was never meant to be a recitation of requests, but rather a drawing close to the heart of God. When we learn to exchange the obstacles of life for the promises of God, we will pray with passion and confidence rather than fear or insecurity. From this place of surrender and intimacy, discover what it means to become a woman who moves mountains—a woman whose life overflows with powerful prayers that transform not only her own life, but the world around her.
