**Popular Radio Host Shows Women  
How to Say Yes to the One  
Who Will Rejuvenate Their Souls**

*Your Sacred Yes*

by Susie Larson

Women today are worn out from life's ought-to's and should-do's.

It's so easy to for them to give away their time to things un-appointed by God. They commit to something because it's a good cause or there's a great need. Or maybe because no one else will help out. The result? The days blur together and they find themselves overworked and underjoyed, desperate for a faith awakening.

In this practical and liberating book, Susie shares biblical ways to:

- Learn how—and when—to say no without guilt or shame
- Find a pace and perspective that matches God's best for each reader
- Discern man-made obligations from God-given invitations

Includes Reflection Questions for Personal or Group Use.

**Your Sacred Yes DVD:** Each of the six twenty-five-minute sessions in this DVD study companion explores more deeply the teaching points in *Your Sacred Yes*, two chapters at a time. Author Susie Larson shares extra insights and stories not covered in the book, and presents material that serves as a catalyst for group discussion.

Together, the book and DVD set allows women to easily host a six-week study group at home or church without having to feel the weight of both teaching and facilitating a group at the same time. Ideal for women's groups who enjoy Beth Moore's video Bible studies, this DVD study is also intended for couple's groups and mixed gender gatherings.

**“Saying yes to God is the most important decision you can make,  
but it shouldn't stop there. After beginning a relationship with Christ,  
we must constantly say yes to His influence, wisdom, and power in our lives.  
*Your Sacred Yes* will empower and equip you to say yes to a life of freedom,  
fulfillment, and significance. Say yes!”**

**—Craig Groeschel, senior pastor of LifeChurch.tv  
and author of From This Day Forward**
