## BOOK ANNOUNCEMENT

# Revisit Old Friends in Blessing in This Heartwarming Series Conclusion

- Featuring the beloved and highly popular characters and setting of Blessing, North Dakota
- Sales of the Red River saga are nearing 1.5 million copies
- Snelling is highly interactive with readers via social media and personal appearances

Deborah MacCallister, head nurse at the Blessing hospital, has loved Toby Valders since her school days, but she's had enough of their on-again, off-again relationship. Toby truly cares for Deborah, but he's never felt like he could commit to marriage or a family.

When Anton Genddarm, the new schoolteacher, comes to town, the young women of Blessing see a chance to force Toby's hand with a little strategic matchmaking. But real sparks fly between Deborah and Anton, and she finds herself in an even more complicated situation. The attention she gets from Anton makes Toby do some serious soul-searching, but is it too late?

Then Deborah receives an invitation to study the latest advances in nursing at a hospital in Chicago, and she faces a hard choice. To leave or stay? Should she give up on the dream of Toby and accept the interest of Anton?

**“A gifted storyteller, Snelling writes a heartwarming historical with strong and well-developed characters who struggle with tough decisions and relatable trials that at times test their faith. The pacing flows so naturally here that readers will find it easy to get immersed once more in the lives of the characters of Blessing.”**
