

## SAMPLE INTERVIEW QUESTIONS

### *How to Enjoy Reading Your Bible* by Keith Ferrin

1. Bible literacy seems to be in decline these days. What are some of the factors that keep people out of God's Word?
2. You describe "enjoying the Bible" as the 4<sup>th</sup> Conversation. What are the preceding three, and why is the 4<sup>th</sup> Conversation so important?
3. Have you always loved the Bible? (Hint: Not for the first 20 years I was a Christian.)
4. In this book you discuss shifting our mindset from informational Bible study to relational Bible study. What do you mean by relational Bible study?
5. Why do most people struggle with their minds wandering when they read the Bible? How can we overcome this?
6. One of your chapter titles is "Watch the Movie." What's that about?
7. You use the analogy of building a house when describing your process for studying the Bible. Tell me more about that.
8. You don't use the word "memorize." Why not? And what do you use instead?
9. After spending the last 20 years "presenting" several books of the Bible word-for-word, which is your favorite book to present?
