## Enjoy Bestselling Author Karen Witemeyer's Terrific New Romance!

- Witemeyer has sold more than 300,000 copies of her warm-hearted and witty historical romances
- Readers who have loved Karen's rugged heroes will find Malachi Shaw unforgettable
- Harper's Station is a town readers will want to visit again and again

Men are optional. That's the credo Emma Chandler's suffragette aunts preached and why she started a successful women's colony in Harper's Station, Texas. But when an unknown assailant tries repeatedly to drive them out, Emma admits they might need a man after all. A man who can fight and she knows just the one.

Malachi Shaw finally earned the respect he craved by becoming an explosives expert for the railroad. Yet when Emma's plea arrives, he bolts to Harper's Station to repay the girl who once saved his life. Only she's not a girl any longer. She's a woman with a mind of her own and a smile that makes a man imagine a future he doesn't deserve.

As the danger intensifies, old feelings grow and deepen, but Emma and Mal will need more than love to survive.

**“Witemeyer’s latest is an entertaining read with plenty of drama and action, a smidgen of suspense and two main characters with perfect chemistry...And of course, the romance is tender and sigh-worthy—a key reason why her readers keep coming back for more.”**
