1. You describe in *Prophetic Secrets* how the Holy Spirit trained you Himself as a new Christian in the gift of prophecy, especially in the supernatural ability to see in the spiritual realm. Can you describe that process?
2. You instruct how the gift of prophecy and prophets have their origins in the Old Testament, but a shift occurred with the outpouring of the Holy Spirit in the book of Acts. Can you explain?
3. Many prophetically inclined people need to close doors to things that will distort the prophetic word. How are we able to do this?
4. In your book, you share that most prophetic words need prophetic wisdom in order to come to pass. What exactly is prophetic wisdom, and what does it look like?
5. Why do we sometimes receive clear prophetic words from the Lord that do not come to pass? How can we actively partner with the Holy Spirit for our words to come to pass?
6. Which modern heresy has impacted the prophetic movement the most and why? What do prophetic people need to watch out for and what are some of the excesses in prophetic ministry?
7. In your book, you talk about how prophets are called, how they are processed, the different kinds of prophets there are and what they do. Can you share about that?
8. You talk about how prophetic words can come in very unusual ways (e.g., through angelic visitations, dreams, etc.). How do you process hard to understand spiritual activity and then make it easier for the hearer to understand?
9. What is your prayer and desire for people who read your book?
10. Share a little bit about what you see God doing in your ministry, what is coming up and how people can connect with you and purchase a copy of *Prophetic Secrets*.
