Learn to Respond in Faith to Anxious, Uncertain Times

Searching for Certainty *Finding God in the Disruptions of Life* by Shelly Miller

We all long for certainty in life, yet our plans often don't go as we expect. When facing illness, job loss, strained relationships, and other struggles, our impulse is to question God and strive to fix things ourselves.

In *Searching for Certainty*, Shelly Miller explores how we can turn difficult times into purposeful times of spiritual growth. Weaving the exodus story from the Bible with her own story, Shelly shares how to focus and rely on God rather than trying to overcome challenges with our own limited strength. Each chapter features a simple spiritual practice to help us enjoy the peace and security that is only possible through Christ. Uncertain seasons will soon be translated as an aha! instead of an *oh no*.

Shelly is available to interview and write on the following topics:

- How to handle anxiety when facing the unknown.
- Experience the certainty of God in uncertain circumstances.
- Redefine waiting periods with expectancy rather than dread.
- Project outcomes from an abundance mindset instead of lack.
- Shift from enduring life to experiencing life.
