Caleb and Joshua Roar to Life in this High-Impact Old Testament Saga

- Graham stands out among CBA writers for his high-octane, faith-fueled writing
- Ideal for biblical fiction readers and anyone intrigued by the feature films *Noah* and *Exodus*
- His fans include Karen Kingsbury and *Spiderman* producer Grant Curtis

Two men were brave enough to tell the truth about what awaited the Hebrews in Canaan. This is their story. From the slave pits of Egypt to the efforts of an eighty-five-year-old Caleb as he drives out the last of the giants, *Shadow of the Mountain* is a vivid portrait of two of God's chosen champions, and a meditation on masculine mentorship and the challenges and blessings of growing older.

For the sake of his new God and his loyalty to his friend Joshua, Caleb will not spend his twilight years resting, but taking the battle to the enemies of God's people until his dying breath. From his early days as a mercenary for Pharaoh in Egypt watching the Hebrews suffer under the yoke of slavery, all the way through a desperate fight with giants in the dark forests of the hill country, this is a story filled with epic battles, gritty intensity, and supernatural events that made Graham's *Lion of War* series a hit. *Shadow of the Mountain* is sure to ignite a love for the Old Testament in popular culture.
