—*Booklist on Out of the Ashes*
- A fan-winning blend of excitement, history, breathtaking scenery, and romance

Taylor Hale is ahead of her time as one of the first women naturalists. She has always loved adventure and the great outdoors, and her remote job location also helps keep her away from the clutches of the man to whom she once made a foolish promise. It seems she must keep running, however, and in secret, her boss from Yellowstone arranges for a new job . . . in Alaska.

The popular Curry Hotel continues to thrive in 1929 as more visitors come to Alaska and venture into the massive national park surrounding Denali. Recent graduate Thomas Smith has returned to the hotel and the people he considers family. But when a woman naturalist comes to fill the open position and he must work with her, everything becomes complicated.

The summer brings unexpected guests and trouble to Curry. With his reputation at stake, will Thomas be able to protect Taylor from the danger that follows?
